Dear Speech & Hearing Associates,

Thank you for your thoughtful and generous gift towards the Spectrum for Living Walk. Proceeds from your Mile Marker Sponsor support Spectrum for Living in its mission to make a difference in the lives of adults with developmental disabilities.

For more than 30 years, Spectrum for Living has provided barrier-free, residential and day facilities for adults with multiple physical and developmental disabilities. Funding from the government is simply not enough to give our clients the quality of life they deserve. Your contribution towards events like the Walk helps supplement where funding unfortunately falls short.

Without the support of individuals and organizations like you, Spectrum would not be able to do what we do best. Offer our clients a commitment to providing services which improve their quality of life and daily enrichment.

Your participation and support ensure the Walk will be a great success. I, and the many individuals who stand to gain from your generosity, thank you.

Regards,

Kerry McConway
Senior Director of Development
